

Protocol 5

Break times

A staggered break time approach involves time for children to wash hands entering the building using soap and water at their designated area and toileting to reduce movement around school.
Playgrounds will be zoned off to clearly show the area bubbles can remain in.

Children to socially distance between the bubbles.

Step 1	Children sanitise and toilet when leaving the building.
Step 2	Children walking down to the playground are to ensure they walk close to the metal fencing (reception outdoor area) to remain socially distanced from any another bubble.
Step 3	Children walk to their area of the playground
Step 4	At the end of break when the whistle is blown children return to school and line up to wash hands with soap and water before returning to class.
