

## Information for parents if isolation takes place for your child

All attachments are on the child's class page. They will be identified with the word isolation in front of the content of the attachment e.g isolation **maths**.

Children will be provided with a book to complete all activities in and will be share with the class teacher on the child's return to school.

subject	duration	Activity
Maths	daily	Learn your number bonds(KS1) or fast recall of times tables (KS 2) <i>My maths activities using your password</i> <i>TT Rockstar using your password</i> <i>LBQ</i> <i>White Rose maths sheet will be sent to the office each day which will then be sent out to parents</i>
English	daily	Complete an activity daily linked to a project produced by Pie Corbett <b><i>Attachment on class page</i></b>
Spellings	daily	Learn the common words ( in your Pirate book also) <b><i>Attachment on class page</i></b> <i>Spelling shed activities using your password</i>
Reading	daily	KS1 children can access the Oxford Owls reading scheme. KS2: read a book from the recommended booklist. Time yourself reading at the beginning and end of the quarantine. Can you read 120 words per minute?
Science	Once a week	Complete an activity linked to the topic being covered (see your curriculum newsletter) Staff will email the 'Plan Bee' worksheets to the office to send out to parents
Knowledge organisers	daily	Learn the facts on the knowledge organisers for the half term <b><i>Attachment on class page</i></b>
Curriculum newsletter	Once a week	Look at the newsletter and see if you can find out more facts connected to the subjects you are covering in the half termly project. <b>Updated each half term.</b>
